EDUCATION

University of Washington, Foster School of Business - Seattle, WA

Bachelor of Business Administration, Finance

Expected Graduation: December 2023

- GPA: 3.86
- Major GPA: 4.0

EXPERIENCE

Athletes First Agency – *Player Relations Department; Remote/Laguna Hills, CA* August 2021 – Present

- Provided administrative support and enhanced communication among players, families, coaches and staff
- Contacted and negotiated for over \$1.5 million in marketing deals on behalf of our clients
- Handled all logistical details of travel, lodging and transportation for our clients
- Cultivated deep personal relationships and worked with many star NFL players to meet their goals

Finance Tutor – *University of Washington; Seattle, WA* January 2022 – Present

- Conducted small tutoring sessions for lower division UW Finance/Business courses
- Created tracking system that kept students prepared and on task with assignments
- Followed up with students on academic progress via monthly meetings

GNC Supplements – *Sales Associate; Redmond, WA* June 2019 – February 2021

- Responsible for helping the store to maintain inventory of popular supplements and supplements that promise to be in demand.
- Often worked with local health clubs to set up regular buying schedules and keep them informed of new products.
- Worked around a rigorous school and sports schedule to ensure I could contribute to the team whenever possible

ACADEMIC PROJECTS

Student Managed Investment Fund – Eastlake High School, Fall 2018

- One of ten students selected to participate in security valuation and portfolio management project
- Tasked with paper trading stocks and options for 3 months during the Fall of 2018, with the goal of the highest possible return
- Turned a hypothetical \$10,000 investment into \$39,500, placing #1 overall for the competition
- Collaborate with fellow students, presenting, discussing, and evaluating various investment strategies weekly

Financial Statement Analysis Course – Foster College of Business Fall 2022 • Performed semester-long, in-depth financial analysis on B&G Foods, researching the company's 10-Ks, 10-Qs, and conference calls • Authored 80 page research paper, providing industry analysis, financial ratio analysis, and a final stock valuation

LEADERSHIP EXPERIENCE AND ACTIVITIES

Division I Men's Football Team - Eastern Washington University, July 2019 - July 2021
