

## RUNSTAD DEPARTMENT OF REAL ESTATE

UNIVERSITY of WASHINGTON

College of Built Environments

**Position announcement:** Affiliate instructor position in RE Economics & Market Analysis course – Spring '24

The Runstad Department of Real Estate is seeking applicants for an affiliate instructor position teaching a graduate real estate economics and market analysis course spring quarter 2024 with the potential for reappointment in future years. The course is:

Spring '24	RE 416/516 Real Estate Economics & Market Analysis
------------	--

Instruction dates: March 25 – May 31, 2024

Some background on the course:

**RE 416/516 Real Estate Economics & Market Analysis:** This course introduces students to real estate market studies for different uses. It covers five areas: basic economic concepts critical in the understanding of real estate markets; urban economy; land rent theory; locational analysis and decision making; and market analysis. This is a joint listed course and open to undergraduate and graduate students.

Affiliate instructor responsibilities include delivery of course content, scheduling office hours and being accessible to students as appropriate, and grading. The instructors will have the opportunity to explore the educational material currently available and expand those resources. Course can be taught remotely using Zoom.

**Qualifications:** Applicants must have a Master's degree in a relevant field. Work experience in real estate economics preferred. Teaching experience is preferred although not required.

**Salary:** \$3250 per month, \$9750 for entire quarter

**Submission material:** Applications, including a letter of intent, resume, and three letters of recommendation, should be emailed to Steven Bourassa at [sbour22@uw.edu](mailto:sbour22@uw.edu) by **February 2, 2024**. If you are interested in the position, please reach out to Prof. Bourassa for the course syllabus and any other questions you might have.

The University of Washington is an affirmative action, equal opportunity employer. All qualified applicants will receive consideration for employment without regard to, among other things, race, religion, color, national origin, sex, age, status as protected veterans, or status as qualified individuals with disabilities.
